Dear Ms. Chock:

Please accept this letter as a revision to my "Disclosure of Financial Interests (Long Form)" which was filed with your office on June 27, 2006.

With regard to Item 1-"Income for Service Rendered For Preceding Calendar Year", I would like to provide additional information regarding the nature of services rendered by my wife who works for the Hawaii Tourism Authority. My wife is a Tourism Specialist and generally works on marketing plans for the agency.

Thank you for the opportunity to make this modification.

Mahalo,

Mark Anderson
